

THOUGHT FOR THE DAY: Wednesday 1st May 2024

By Revd John Ohen

We are all encouraged to make our house in our Lord and he will make his in us.
One of the ways we can become closer to our Lord is in prayer.

In prayer we learn to put all our trust in God. All will be well and this, indeed, all manner of things will be well, says Julian of Norwich.

Every day has its share of ups and downs, difficulties and challenges.
Some days we wake up in a good mood and go to bed in a bad one.

Let nothing disturb you, and don't let anything frighten you, because all things are passing away. God never changes. Whoever trusts in God, will lack nothing.

Bible passage: [John 15. 1 - 8](#)

Prayer: Lord God, help and teach us to pray so that we may remain in your presence so that we may produce the fruits of joy, patience, peace, faithfulness and love.
