

THOUGHT FOR THE DAY: Thursday 21st December 2023

Carols by Candlelight

We had a beautiful Carols by Candlelight Service last Sunday evening. Huge thanks to Ruby and Suresh for decorating the church and to Beatrice who helped to light all the candles. I think it took an hour and a quarter to light them all! And the result was absolutely amazing! Huge thanks also to our readers, singers, musicians, those who cleared up, who provided the catering, and all who helped to make the service so special.

They say a picture speaks a thousand words. These pictures speak to me of light and beauty, of kindness and mystery, of gift and love, of wonder and grace, and community.

I wonder what they speak to you?

Huge thanks to Annette and Jim for some of the above!
