Jigsaw Planet again

As you know since Jill and Kit introduced Jigsaw Planet to St James I have been doing them avidly.

I have been impressed by many images and I have revisit places and times, to appreciate art and simplicity through the medium of jigsaws.

I have also been impressed by those who have chosen to share their faith and beliefs. Jenna Lineah has an album of jigsaws entitled Hope, Faith, Believe, Peace, Spirit. I'd like to share some of them.

Every good and perfect gift is from above (from a colouring book)
