Harvest for the World 2

Revd John Marshall

Here are two prayers you may like to use.

We pray for the Church throughout the world 1

We pray for the Church throughout the world, that we may demonstrate to the world, a living vibrant faith, which seeks to include and share, and speaks out against the scandal of poverty.

We pray for world leaders, that they may listen to the voices of those who live in poverty and begin to use their power generously for the good of all.

We pray for ourselves that through our choices, action and words we may live out our faith in our everyday lives growing more compassionate and generous each day.

We pray for the Church throughout the World 2

We pray for the church throughout the world, that it may be a living example of a loving community and a voice for those who are hungry for food and justice.

We pray for the world's leaders, that they may work to overcome the barriers between people and foster a spirit of global community in a world where no one has to experience poverty or hunger.

We pray for ourselves, that we may have the courage to be witnesses to the power of sharing and to the values of global community.
