

Thought for the day – Wednesday 26th October 2022

Travelling North

Up the A1
Struck by the beauty
Of our God's creation.
Bright blue sky
Clear golden sun.
Trees changing colour
As Autumn begins
Bright reds and yellows and oranges.
But further up north
Its green trees again
Trees blowing in the breeze.
Why?
Was the weather wetter
When dryer in the south?
Sheep and cows in the fields
Grazing on lush green grass.
Birds of all descriptions
Small and large
Flying above in the sky.

Oh Lord, our Lord
How majestic is your name
In all the earth.

We praise God
For His creation.
So grateful
To be part of it.
