Lost without Him Lonnie Lu

God has no smart phone but I still talk to Him. He has no Facebook but He is still my closest friend. He does not have twitter, but I still follow Him, and even without internet, I'm still in contact with Him. I saw this on one of my student's pages and reposted it here..... because I think He is awesome, because I would be lost without Him and because I want the world to know that I am not ashamed of my faith.

I thought this was good. I like to remember we have a friend in Jesus, and that we can take things to God in prayer.
