### Rage and Hope 9 Together Only

Naomi Browell wrote this prayer of hope, fuelled by the energy of rage, anger at inequality demands a reimagining of the world into one where love rises above fear and every person is seen and respected.

Abba, Amma,

God who is Sophia, Wisdom

God who is Christ, Saviour

We pray to You

We begin our prayer with anger,

For that is where we are.

We want to use that anger

To spark a change with hope.

With hope we reimagine this world.

It becomes a world of Love.

With hope we reimagine this world.

It becomes a world of justice

You our Hope, stretch us,

You our Hope, compel us

We reimagine this world,

And it becomes for all whole.

Push and pull us, gracious Guide.

(silence)

Through every one of us, the way is seen,  
seen differently by each.

We share our different visions.

Together only can we see your way.

God who shows us Love eternal,  
We will be your Love in this world,  
God who gives us Hope eternal,  
We pray to you.
