### Encounters with God – Rev Kit Gunasekera

As I walked out into our garden this morning, I saw these three roses, bunched together.

It reminded me of the Trinity, the Father, the Son and the Holy Spirit.

I once saw a person bring in a tray of objects, and we were each given one, and she told us to go away and think about what God might be saying to us through that object.

As I look around my study, I am typing on my keyboard right now, that reminds me of the Bible, the word of God, his way of communicating with us.

There is a plug, which reminds me of when Jesus said that we will have power when we are connected to the Holy Spirit.

There is a pencil sharpener, which reminds me of: "As iron sharpens iron, so one person sharpens another". - Proverbs 27:17

There is a ruler, which reminds me of when Jesus said "For in the same way you judge others, you will be judged, and with the measure you use, it will be measured to you." - Matthew 7:2

The fan, reminds me that God will refresh us when we draw near to Him - Isaiah 40:31

And so on...

Take a look around where you are right now. What do you see? What do they tell you about God? What might God be saying to you?

**Bible Verse:** For since the creation of the world God's invisible qualities--his eternal power and divine nature--have been clearly seen, being understood from what has been made... - Romans 1:20
