

## The God near us and with us!

- Sue Wallace

Since Kit had indicated we could send in as many photos on this theme of Light, this became a challenge to me and I have sent in a different photo each evening and will continue to do so. Tonight with the very special pink full moon, I felt I should share my thoughts. I started to think of the many lights I could still send in as being 'Christ the Light of the world' in my home and garden. My meditation became so real and I have found Christ in everything I do in my home all the time.

I go to the fridge for a cold drink and Christ is there, I collect frozen food in the freezer and the light comes on; I start the oven to make the dinner; the light is there, I go to the green house – the seedlings in the propagator are being tended by Christ with the warmth and light. I re-pot vegetable seedlings after sunset by the light of the outside light. I turn on the washing machine and He is there. Etc etc.

Through the darkness we are sharing, there is a radiant light of Hope. Please review any sources of light you see as being God Given, and praise and thank Him

Bible Verse:

Every good gift and every perfect gift is from above, coming down from the Father of lights, with whom there is no variation or shadow due to change. - James 1:17

Father of Lights you delight in your children  
Father of Lights you delight in your children

*And every good and perfect gift  
comes from You  
And every good and perfect gift  
comes from You*

*And every good and perfect gift  
comes from You*

Father of lights  
Father of Lights you never change  
You have no turning  
Father of Lights you never change  
You have no turning
