

**Thought for the day – Monday 15<sup>th</sup> May 2023**

**By Revd John Marshall**

**I am stones**

I was struck the other day by a jigsaw by Asigodday on Jigsaw Planet  
It consisted of a cross made with stones. At the top it had

I AM

and then Emmanuel

Lamb of God    Saviour    The Way    Alpha and Omega

Bread of life    JESUS    MESSIAH

Advocate

Holy One

Good Shepherd

Son of God

Light of the world.

I wonder what statements you could write in the shape of a cross.
