

Thought for the Day - Thursday 18th May 2023

By Revd John Ohen

Witness.

Conversion and repentance always involve a renewal of the mind as in Romans 12. 21 and the Jewish believers needed to think as God thought, see as God saw, and to understand the Saviour's teaching. Jesus final words before he Ascended into Heaven was. Acts 1. 8 "- - you will be my witness in Jerusalem, and in all Judea and Samaria, and to the end of the earth. This is also known as Great Commission. We are all told to "Go ..and make disciples of all nations, baptizing them in the name of the Father Son and the Holy Spirit, (Matt. 28.19). This command is for all of us, are you doing your bit?

Jesus also said to his disciples before he ascended into heaven that he would ask the Father to give them another Advocate, the Holy Spirit to be with them forever.

The Jewish Christians had to understand that salvation is for all, and with God's help they made a shift in their mindset, opening the Gospel to everyone. So let us know Christ Jesus and make him known.

Bible Passage: John 15. 1-8.

Prayer. Lord God give me a burning love for the Gospel and the desire to share the Good News with everyone. In your name I pray.
