

Thought for the day – Monday 6th March 2023

By Rev John Marshall

Waiting Pat Marsh

I am

waiting:

waiting for God

in the stillness

drawing near to Him

with faith,

sheltering

under the shadow of his wings,

letting Him hold me

very tightly;

content to wait

and pray

and be with God.

content to 'be'

as I wait.

let justice roll down

Lent is a good time for waiting on God.

Mind you any time is good with God.
