Twelve

Two patriarchs said:
Did you admit you were powerless?

The matriarchs said?
Did you come to believe?

The prophets said:
Did you make a decision?

The seraphim and cherubim said:
Were you searching and fearless?

The cloud of witnesses said:
Did you admit the nature of your wrongs.?

The desert fathers said:
Did you become willing?

The holy martyrs and saints said:
Did you humbly ask?

The apostles said:
Did you make a list?

The archbishops said:
Did you make amends?

The Orthodox and the Catholics said:
Did you continue to take an inventory?

The Protestants and agnostics said:
Did you seek through prayer and meditation ?

My friends said:
Did you have a spiritual awakening?

I said, yes.

What would you ask?
What would you answer?
